Dear Mr. Bright:

Thank you for your positive article that many are noticing the problems with Agenda 21 and rejecting this Pasadena, California are not as smart as those in Alabama. I have attached some pictures showing the imp community built next to the light rail system. I don't see any garage space here. C. Johnson

This apartment complex is at the Del Mar Station of the Gold Line light rail transit.  
([http://subwaynut.com/california/la\\_metro/gold\\_line/del\\_mar/index.php](http://subwaynut.com/california/la_metro/gold_line/del_mar/index.php)) Stack 'em and Pack 'em!

Another apartment complex built next to the Gold Line, a light rail system.  
([http://subwaynut.com/california/la\\_metro/gold\\_line/memorial\\_park/index.php](http://subwaynut.com/california/la_metro/gold_line/memorial_park/index.php))
