

# Black Robed REGIMENT Rally

The "Black Robed Regiment" was a derogatory term used by the British to describe the Preachers in the pulpits of the 13 Colonies prior to the Revolutionary War. This period is known historically as "The Great Awakening" and it led to the Colonies' throwing off the shackles of old King George. American Preachers and Pastors must return to the passionate preaching of Biblical truth on Liberty and Freedom once again. Now is the time for another Great Awakening in America. The modern Black Regiment is a National group formed by former Constitution Party Presidential Candidate, Chuck Baldwin.

## JOIN US FOR A SPECIAL EVENING WITH CHARL VAN WYK, AUTHOR OF THE BOOK, SHOOTING BACK...

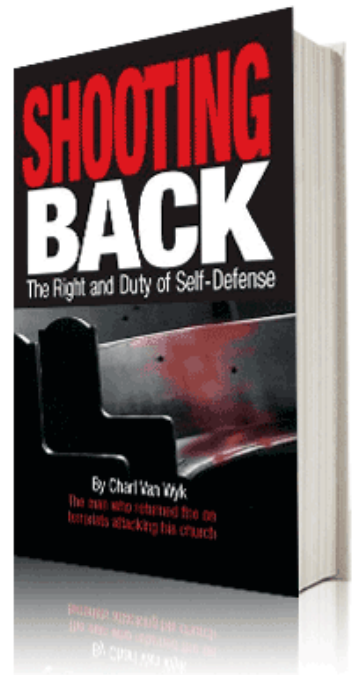

On July 25, 1993, van Wyk visited St. James Church in South Africa. The serenity of Sunday worship was shattered when a gang of terrorists burst into the church and started firing automatic weapons and tossing grenades.

Eleven people were murdered that day and 53 injured. Quietly seeking cover behind a pew, van Wyk fired back with a .38 caliber revolver causing the attackers to flee in disarray—*with the armed pastor in pursuit!*

When Charl van Wyk first heeded the call to enter the ministry, he imagined preaching, teaching and saving souls. He never dreamed that one day he'd be called upon to save lives through a very different course of action.
