Dear Governor Henry:

Thank you and the State of Oklahoma for your continued commitment to improve Oklahoma's drivers' license and identification issuance processes. These new processes will lead to improved identification security. We received your February 15, 2008 request for an extension of the May 11, 2008 deadline for compliance with the REAL ID Act and implementing regulations.

This document serves as your official notification that the Department of Homeland Security has granted your request for an extension of the compliance date until December 31, 2009. If you have questions or require additional assistance, please contact Mr. Darrell Williams at (darrell.williams1@dhs.gov) or (202) 447-3836.

Sincerely,

for Stephen [Signature]
