

Oklahomans for Sovereignty and Free Enterprise (OK-SAFE)
Oklahoma Tea Party Mission Statement
April 15, 2009

The Tulsa Oklahoma Tax Day Tea Party is an informal demonstration organized of, by and for citizens who are no longer willing to tolerate an irresponsible, unresponsive government, Republican and Democrat alike. They do not agree with any form of government that continues to rapidly encroach on individual liberties while creating enormous and financially bloated government programs that are amassing crippling economic burdens for America's future generations. Let us be clear in that we are not Anti-government, to the contrary WE are the government, as is stated in our founding documents by those who founded this nation in liberty.

The gathering is intended to send a firm and respectful statement: ENOUGH! Our mission is to unite the state of Oklahoma county by county, so that we can affirm our state Constitution, confirm our sovereignty as a state, and enjoy life, liberty and the pursuit of happiness. Then to extend this sentiment state by state, to defend our national Constitution and our God-given liberties. We will encourage attendees to become informed and significantly engaged so that they can defend and protect their individual rights, using the rule of law clearly set forth in our sacred Constitution.
