### Earmark

The funding will be used for research and development at UWAC. [According to FALLIN, MARY C.] The UWAC is part of a U.S. Army Urban Warfare Technology Initiative and encompasses development of an Urban Warfare Knowledge Base; data storage and compression; operations research; modeling and simulation; analysis and studies; technology and sensor evaluation; 3-D mapping solutions; and development of rapid response new technology initiatives to give U.S. combat forces an advantage when fighting in an urban battlefield. [According to INHOFE, JAMES M]
